Prix Caprilli Test is for horses with jumping experience, ridden in snaffle bridle. The test will be performed in 20x40 meters dressage arena. Maximum height of fences as per class. All trot work will be performed rising. The quality of the change will be evaluated. Test may be called. Refusals will be penalized as an error of course with appropriate deduction of points. Knock-downs will be penalized at the judge's discretion. In the case of a pole in the path, the judge will ring the bell for the rider to stop without penalty. After the jump is replaced, the bell will be rung again telling the rider to continue from where they stopped. Score will be calculated in percentage.
